“Shera Group has secured an increase in production capacity”

We are pleased to inform you that Shera Group has successfully enhanced its production capacity. This significant development reflects our commitment to growth and operational excellence.

Standalone Production Capacity:

The production capacity has been increased from 18,600 MT to 20,600 MT.

Consolidated Production Capacity:

On a consolidated basis, the production capacity has risen from 37,730 MT to 41,130 MT.

Mr. Sheikh Naseem, Chairman & Managing Director of Shera Group, stated:

"We are thrilled with the increase in production capacity across our operations. This milestone underscores the strength and resilience of our organization, reinforcing our dedication to achieving long-term objectives and delivering sustained value to our stakeholders."

The Chartered Engineer Certificate received from M/s Bidadhar & Techno Associates have been enclosed herewith.

This is to keep our esteemed investors informed of the latest developments within the company.

Thank you for your continued support.

Yours Faithfully
