

Independent Auditor's Examination Report on Restated Standalone Financial Information

The Board of Directors
Sera Energy Limited,
(Formerly known as Sera Energy Private Limited)
F-269-B, Road No. 13 VKIA
JAIPUR RJ 302013

Dear Sirs,

1. We have examined the attached Restated Standalone Financial Information of Sera Energy Limited (Formerly known as Sera Energy Private Limited) (the "Company"), comprising the Restated Standalone Statement of Assets and Liabilities as at September 30, 2022, March 31, 2022, March 31, 2021 and March 31, 2020, the Restated Standalone Statements of Profit and Loss (including other comprehensive income), the Restated Standalone Statement of Changes in Equity, the Restated Standalone Cash Flow Statement for the periods ended September 30, 2022, years ended March 31, 2022, March 31, 2021 and March 31, 2020, the Summary Statement of Significant Accounting Policies, and other explanatory information (collectively, the "Restated Standalone Financial Information"), as approved by the Board of Directors of the Company at their meeting held on 15th November, 2022 for the purpose of inclusion in the Draft Red Herring Prospectus/ Red Herring Prospectus/ Prospectus ("DRHP/RHP/Prospectus") prepared by the Company in connection with its proposed Initial Public Offer of equity shares ("IPO") prepared in terms of the requirements of:
 - a) Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "Act");
 - b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("ICDR Regulations"); and
 - c) The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time (the "Guidance Note").
2. The Company's Board of Directors is responsible for the preparation of the Restated standalone Financial Information for the purpose of inclusion in the DRHP to be filed with Securities and Exchange Board of India ("SEBI"), the stock exchanges where the equity shares of the Company are proposed to be listed ("Stock Exchanges") and the Registrar of Companies, Jaipur ("ROC"), in connection with the proposed IPO. The Restated standalone Financial Information have been prepared by the management of the Company on the basis of preparation stated in Note No. 1 to the Restated Standalone Financial Information.
3. The responsibilities of the Board of Directors of the Company includes designing, implementing, and maintaining adequate internal control relevant to the preparation and presentation of the Restated standalone Financial Information. The Board of Directors are also responsible for identifying and ensuring that the Company complies with the Act, ICDR Regulations and the Guidance Note.

4. We have examined such Restated standalone Financial Information taking into consideration:
- The terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter dated 2th April, 2022 in connection with the proposed IPO of equity shares of the Company;
 - The Guidance Note also requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI;
 - Concepts of test checks and materiality to obtain reasonable assurance based on verification of evidence supporting the Restated standalone Financial Information; and
 - The requirements of Section 26 of the Act and the ICDR Regulations. Our work was performed solely to assist the board of directors in meeting their responsibilities in relation to the compliance with the Act, the ICDR Regulations and the Guidance Note in connection with the proposed IPO.
5. These Restated Standalone Financial Information have been compiled by the management from:
- Audited standalone financial statements of the Company audited and reported by us for the period ended September 30, 2022, year ended March 31, 2022 prepared in accordance with Ind AS notified under Companies Act, 2013 specified under section 133 of the Act and other accounting principles generally accepted in India which have been approved by the Board of Directors at their meeting held on 15th November, 2022 and 08th August, 2022 respectively.
 - Audited standalone financial statements of the Company as at and for the years ended, March 31, 2021 and March 31, 2020 prepared in accordance with the with the accounting standards notified under the section 133 of the Act ("Indian GAAP") and other accounting principles generally accepted in India, at the relevant time, which have been Audited and reported by erstwhile Statutory Auditor Mohata Baheti & Associates, Chartered Accountants.
 - The standalone financial information for the period September 30, 2022, and for the years ended March 31, 2022, March 31, 2021 and March 31, 2020 included in such restated standalone financial information have been prepared by the management by preparing Ind-AS financial statements wherein Ind-AS transition / restatement adjustments have been made to the audited financial statements of the Company and prepared in accordance with the Indian accounting standards as notified under Companies Act, 2013.
6. For the purpose of our examination, we have relied on:
- Auditors' report issued by us dated 15th November, 2022 on the standalone financial statements of the Company as at 30th September, 2022.
 - Auditors' report issued by us dated 08th August, 2022 on the standalone financial statements of the Company as at 31th March, 2022.
 - Auditors' Report issued by Mohata Baheti & Associates, Chartered Accountants, dated August 19, 2021, & July 28, 2020 on the financial statements of the Company as at and for the years ended March 31, 2021, March 31, 2020 respectively.

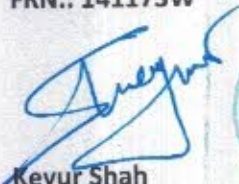

The Ind-AS transition and restatement adjustments made to such audited standalone financial statements [referred as above] to comply with Ind-AS along with the basis of preparation set out in Note 1 to the Restated Standalone Financial Information and statement of reconciliation thereof set out in Note 50, have been verified by us.

7. Based on our examination and according to the information and explanations given to us, we report that the Restated standalone Financial Information:
 - a) have been prepared after incorporating adjustments for the changes in accounting policies, material errors and regrouping / reclassifications retrospectively in the period ended September 30, 2022 and financial years ended March 31, 2022, March 31, 2021 and March 31, 2020 to reflect the same accounting treatment as per the accounting policies and grouping / classifications followed as at and for the year ended;
 - b) have been prepared after incorporating IND AS Adjustment to the audited Indian GAAP financial statements as at and for the year ended March 31, 2021 and March 31, 2020 as mentioned in notes to restated standalone financial information
 - c) does not contain any qualification requiring adjustments.
 - d) have been prepared in accordance with the Act, ICDR Regulations and the Guidance Note.
8. The Restated Standalone Financial Information does not reflect the effects of events that occurred subsequent to the respective dates of the reports on the audited financial statements mentioned as above
9. This report should not in any way be construed as a reissuance or re-dating of any of the previous audit reports issued by us, nor should this report be construed as a new opinion on any of the financial statements referred to herein.
10. We have no responsibility to update our report for events and circumstances occurring after the date of the report.

11. Our report is intended solely for use of the Board of Directors for inclusion in the DRHP/RHP/Prospectus to be filed with SEBI, Stock Exchanges and ROC in connection with the proposed IPO. Our report should not be used, referred to, or distributed for any other purpose except with our prior consent in writing. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

NOTE - 1 - Notes to the Restated Standalone Financial Statements for the year ended on September 30th, 2022

1.1 Company Overview:

Shera Energy Limited ('the Company') is a limited Company (Formerly known as Shera Energy Private Limited) domiciled and incorporated in India. The registered office of the Company is located at F-269-B, Road No. 13 V.K. industrial Area Jaipur-302013 Rajasthan, India.

The company is engaged in the activity of manufacturer of non-ferrous metal products i.e. winding wires, rods, tubes and wires.

1.2 General Information & Statement of Compliance with Ind AS:

1.3 Basis of Preparation of Restated Standalone Financial Statements:

The Restated Standalone Financial Information of the company comprises the Restated Standalone Statement of Assets and Liabilities as at September 30, 2022, March 31, 2022, March 31, 2021 and March 31 2020, the Restated Standalone Statement of Profit and Loss (including other comprehensive income), the Restated Standalone Statement of Changes in Equity and the Restated Standalone Statement of Cash Flow Statement for the period/year ended September 30, 2022, ended March 31, 2022 and year ended March 31, 2021 and March 31, 2020, the Summary Statement of Significant Accounting Policies, and Notes to the Restated Standalone Financial Information (collectively, the "Restated Standalone Financial Information/ Financial Statement").

These Statements have been prepared by the Management of the company in accordance with the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended from time to time, issued by the Securities and Exchange Board of India ('SEBI') in pursuance of the Securities and Exchange Board of India Act, 1992 ("ICDR Regulations") for the purpose of inclusion in the Draft Red Herring Prospectus ("DRHP)/ Red Herring Prospectus ('RHP') / Prospectus in connection with its proposed initial public offering of equity shares prepared by the Company in terms of the requirements of:

Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "Act"), as amended from time to time;

Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended to date (the "SEBI ICDR Regulations") issued by the Securities and Exchange Board of India (the "SEBI"); and

The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time (the "Guidance Note").

The Restated Standalone Financial Information have been prepared to contain information/disclosures and incorporating adjustments set out below in accordance with the ICDR Regulations:

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

Adjustments to the profits or losses of the earlier years for the changes in accounting policies if any to reflect what the profits or losses of those years would have been if a uniform accounting policy was followed in each of these years and of material errors, if any;

Adjustments for reclassification/regroupings of the corresponding items of income, expenses, assets and liabilities retrospectively in the period/year ended September 30, 2022, March 31, 2022, March 31, 2021 and March 31, 2020, in order to bring them in line with the groupings as per the Restated Standalone Financial Information of the company for the period ended September 30, 2022 and the requirements of the SEBI Regulations, if any; and

The resultant impact of tax due to the aforesaid adjustments, if any.

The company follows historical cost convention and accrual method of accounting in the preparation of the financial statements, except otherwise stated.

The Restated Standalone Financial Information are presented in Indian Rupees (INR) except otherwise stated.

These Restated financial statements of the Company are prepared in accordance with Indian Accounting Standard ("Ind AS") notified under the Companies Act, 2013 ("the Act").

1.3.1 Basis of Preparation and Presentation

The Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- (a) Certain Financial Assets and Liabilities (including derivative instruments if any), and
- (b) Defined Benefit Plans – Plan Assets

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Upto the year ended March 31, 2021, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

These financial statements are the Company's first Ind AS standalone financial statements.

The Company's Financial Statements are presented in Indian Rupees, which is also its functional currency

1.3.2 Fair Value Measurement

Some of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. This includes a financial reporting team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

The financial reporting team regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as pricing services, is used to measure fair values, then the financial reporting team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1.3.3 Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current /Non- Current classification.

An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1.3.4 Property, Plant and Equipment

(a) Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

Depreciation

Free hold land is not depreciated. Improvement costs are amortized over the period of the lease. Depreciation on Property, Plant and Equipment is provided using Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II:

Name of Property, Plants and Equipment	Useful Life*
Building (Leasehold Development)	10 Years

* The useful life has been assessed based on technical evaluation, taking into account the nature of the asset and the estimated usage basis management's best judgement of economic benefits from those classes of assets.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition

Gains or losses arising from derecognition of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

(b) Capital Work-in-Progress and Capital Advances

Cost of Property, Plant and Equipment not ready for intended use, as on the balance sheet date, is shown as a "Capital Work-in-Progress". The Capital Work-in-Progress is stated at cost. Any expenditure in relation to survey and investigation of the properties is carried as Capital Work-in-Progress. Such expenditure is either capitalized as cost of the projects on completion of construction project or the same is expensed in the period in which it is decided to abandon such project. Any advance given towards acquisition of Property, Plants and Equipment outstanding at each balance sheet date is disclosed as "Other Non-Current Assets".

(c) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment losses, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Amortization

The amortization expenses on Intangible assets with the finite lives are recognized in the Statement of Profit and Loss. The Company's intangible assets comprises assets with finite useful life which are amortised on a straight-line basis over the period of their expected useful life as tabulated below:

Particulars	Useful Life
Accounting and antivirus software	3 Years

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition

Gains or losses arising from derecognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

1.3.5 Impairment of Non-Financial Assets – Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

There are no losses from impairment of assets to be recognized in the financial statements.

1.3.6 Lease

(a) The Company as a Lessee

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any, and adjusted for any remeasurement of the lease liability. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

(b) The Company as a Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

1.3.7 Investment Properties

Items of investment properties are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for its intended use. Investment properties are depreciated on straight line method on pro-rata basis at the rates specified therein. Subsequent expenditure including cost of major overhaul and inspection is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

1.3.8 Inventories

Items of inventories under raw material, Work in Progress and consumables are measured at cost and Finished good and other items are valued at cost and net realizable value w.e. less after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

1.3.9 Borrowing Costs

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

1.3.10 Employee Benefits

(A) Short-Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

(B) Post-Employment Benefits

(i) Defined Contribution Plans

The Company recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

(ii) Defined Benefit Plans

(a) Gratuity Scheme: The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @ 15 days basic salary and dearness allowances for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Remeasurement gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

(iii) Other Long - Term Employee Benefits

Entitlement to annual leave is recognized when they accrue to employees.

1.3.11 Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services.

The Company has generally typically controls the goods or services before transferring them to the customer.

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Revenue from rendering of services is recognised on when the services are rendered and related cost are incurred over time by measuring the progress towards complete satisfaction of performance obligations at the reporting period.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional.

Export Incentives

Export incentive revenues are recognized when the right to receive the credit is established and there is no significant uncertainty regarding the ultimate collection.

Interest Income

Interest Income from a Financial Assets is recognised using effective interest rate method.

Dividend Income

Dividend Income is recognised when the Company's right to receive the amount has been established.

Provision for Price Variation

In accordance with the prevailing international market practice, the purchase and sale of copper products are accounted for on provisional invoice basis pending final invoice in terms of purchase contract/ order pending on the price of LME.

Company is following practice of recognizing the difference of the value of provisional invoice and final invoice of its customers whose final invoice could not be raised in the current financial year by way of price variation claims which is included in the turnover of the company.

Surplus / (Loss) on disposal of Property, Plants and Equipment / Investments

Surplus or loss on disposal of property, plants and equipment or investment is recorded on transfers of title from the Company, and is determined as the difference between the sales price and carrying value of the property, plants and equipment or investments and other incidental expenses.

Rental Income

Rental income arising from operating lease on investments properties is accounted for on a straight - line basis over the lease term except the case where the incremental lease reflects inflationary effect and rental income is accounted in such case by actual rent for the period.

Insurance Claim

Claim receivable on account of insurance is accounted for to the extent the Company is reasonably certain of their ultimate collections.

Other Income

Revenue from other income is recognized when the payment of that related income is received or credited.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

1.3.12 Foreign Currency Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalised as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income or Statement of Profit and Loss are also recognised in Other Comprehensive Income or Statement of Profit and Loss, respectively).

1.3.13 Government Grants and Subsidies

Grants in the nature of subsidies which are non-refundable are recognized as income where there is reasonable assurance that the Company will comply with all the necessary conditions attached to them. Income from grants is recognized on a systematic basis over periods in which the related costs that are intended to be compensated by such grants are recognized.

Refundable government grants are accounted in accordance with the recognition and measurement principle of Ind AS 109, "Financial Instruments". It is recognized as income when there is a reasonable assurance that the Company will comply with all necessary conditions attached to the grants. Income from such benefit is recognized on a systematic basis over the period of the grants during which the Company recognizes interest expense corresponding to such grants.

1.3.14 Financial Instruments – Financial Assets

(A) Initial Recognition and Measurement

All Financial Assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

(B) Subsequent Measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise to cash flows on specified dates that

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

represent solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

Further, the Company, through an irrevocable election at initial recognition, has measured certain investments in equity instruments at FVTOCI. The Company has made such election on an instrument-by-instrument basis. These equity instruments are neither held for trading nor are contingent consideration recognized under a business combination. Pursuant to such irrevocable election, subsequent changes in the fair value of such equity instruments are recognized in OCI. However, the Company recognizes dividend income from such instruments in the Statement of Profit and Loss.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories is measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

(C) Investments

Investments are classified in to Current or Non-Current Investments. Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as Current Investments. All other Investments are classified as Non - Current Investments. However, that part of Non - Current Investments which are expected to be realized within twelve months from the Balance Sheet date is also presented under "Current Investments" under "Current portion of Non-Current Investments" in consonance with Current/Non-Current classification of Schedule - III of the Act.

All the equity investment which covered under the scope of Ind AS 109, "Financial Instruments" is measured at the fair value. Investment in Mutual Fund is measured at fair value through profit and loss (FVTPL). Trading Instruments are measured at fair value through profit and loss (FVTPL).

(D) Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in Subsidiaries, associates and joint venture at cost less impairment loss (if any).

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

(E) Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

1.3.15 Financial Instruments – Financial Liabilities

(A) Initial Recognition and Measurement

All Financial Liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

(B) Subsequent Measurement

Financial Liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

1.3.16 Derivative Financial Instruments and Hedge Accounting

The Company enters into derivative contracts in the nature of forward currency contracts with external parties to hedge its foreign currency risks relating to foreign currency denominated financial assets measured at amortised cost.

The Company formally establishes a hedge relationship between such forward currency contracts ('hedging instrument') and recognised financial assets ('hedged item') through a formal documentation at the inception of the hedge relationship in line with the Company's Risk Management objective and strategy.

The hedge relationship so designated is accounted for in accordance with the accounting principles prescribed for a cash flow hedge under Ind AS 109, 'Financial Instruments'.

Recognition and measurement of cash flow hedge:

The Company strictly uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain forecasted transactions. As per Ind AS 109 - Financial Instruments, foreign currency forward contracts are initially measured at fair value and are re-measured at subsequent reporting dates. Changes in the fair value of these derivatives that are designated and effective as hedges of future cash flows are recognised in hedge reserve (under reserves and surplus) through other comprehensive income and the ineffective portion is recognised immediately in the statement of profit and loss.

The accumulated gains / losses on the derivatives accounted in hedge reserve are transferred to the statement of profit and loss in the same period in which gains / losses on the underlying item hedged are recognised in the statement of profit and loss.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

Derecognition:

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. When hedge accounting is discontinued for a cash flow hedge, the net gain or loss will remain in hedge reserve and be reclassified to the statement of profit and loss in the same period or periods during which the formerly hedged transaction is reported in the statement of profit and loss. If a hedged transaction is no longer expected to occur, the net cumulative gains / losses recognised in hedge reserve is transferred to the statement of profit and loss.

Fair Value Hedge:

The Company designates derivative contracts or non-derivative Financial Assets/Liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Statement of Profit and Loss over the period of maturity.

1.3.17 Derecognition of Financial Instruments

The Company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.3.18 Financial Instruments – Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

1.3.19 Taxes on Income

The tax expenses for the period comprises of current tax and deferred income tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income. In which case, the tax is also recognised in Other Comprehensive Income.

(a) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

(b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

Presentation

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

1.3.20 Segment Reporting

Segments are identified having regard to the dominant source and nature of risks and returns and the internal organization and management structure. The company primarily operates in non-ferrous metal segment of business hence looking to the nature of business segment reporting is not applicable to company

1.3.21 Research and Development

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss as and when incurred.

Development costs are capitalised as an intangible asset if it can be demonstrated that the project is expected to generate future economic benefits, it is probable that those future economic benefits will flow to the entity and the costs of the asset can be measured reliably, else it is charged to the Statement of Profit and Loss.

1.3.22 Earnings per Share

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share. Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

1.3.23 Provisions, Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

1.3.24 Events after Reporting Date

Where events occurring after the Balance Sheet date provide evidence of condition that existed at the end of reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

1.3.25 Non – Current Assets Held For Sales

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable.

A sale is considered as highly probable when decision has been made to sell, assets are available for immediate sale in its present condition, assets are being actively marketed and sale has been agreed or is expected to be concluded within 12 months of the date of classification.

Non-current assets held for sale are neither depreciated nor amortised.

Assets and liabilities classified as held for sale are measured at the lower of their carrying amount and fair value less cost of sale and are presented separately in the Balance Sheet.

1.3.26 Cash Flows Statement

Cash Flows Statements are reported using the method set out in the Ind AS – 7, “Cash Flow Statements”, whereby the Net Profit / (Loss) before tax is adjusted for the effects of the transactions of a Non-Cash nature, any deferrals or accrual of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

1.3.27 Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

1.3.28 (A) Amendments to Schedule III of Companies Act, 2013

On 24 March, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from 1 April, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held, etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of standalone financial statements.

(B) Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1st April, 2022 as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognize such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognize a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

1.4 Critical Accounting Judgments and Key Sources of Estimation Uncertainty:

The preparation of the Company's Financial Statements requires management to make judgment, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

1.4.1 Income Tax

The Company's tax jurisdiction is in India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the income tax provisions, including the amount expected to be paid / recovered for uncertain.

1.4.2 Property Plant and Equipment/ Intangible Assets

Estimates are involved in determining the cost attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the management. Property, Plant and Equipment/Intangible Assets are depreciated/amortised over their estimated useful life, after taking into account estimated residual value. Management reviews the estimated useful life and residual

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The useful life and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/amortisation for future periods is revised if there are significant changes from previous estimates.

1.4.3 Defined Benefits Obligations

The costs of providing Gratuity and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS – 19, "Employee Benefits" over the period during which benefit is derived from the employees' services. It is determined by using the Actuarial Valuation and assessed on the basis of assumptions selected by the management. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. Due to complexities involved in the valuation and its long term in nature, a defined benefit obligation is highly sensitive to change in these assumptions. All assumptions are reviewed at each balance sheet date.

1.4.4 Fair value measurements of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgments and assumptions.

1.4.5 Recoverability of Trade Receivables

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

1.4.6 Provisions

The timing of recognition and quantification of the liability (including litigations) requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

1.4.7 Impairment of Financial and Non – Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

In case of non-financial assets company estimates asset's recoverable amount, which is higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value

Shera Energy Limited

(Formerly Known as Shera Energy Private Limited)

(Standalone Financial Statements as at 30th September 2022)

less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

1.4.8 Recognition of Deferred Tax Assets and Liabilities

Deferred tax assets and liabilities are recognised for deductible temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Company uses judgment to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

1.5 First Time Adoption of IND AS

The Company has adopted Ind AS with effect from 1st April 2021 with comparatives being restated. Accordingly, the impact of transition has been provided in the Opening Reserves as at 1st April 2020. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

Note-32- Details of Employee Benefits:**The Company has the following post-employment benefit plans:****A. Defined Contribution Plan****Contribution to defined contribution plan recognised as expense for the year is as under:**

The Company offers its employees benefits under defined contribution plans in the form of provident fund. Provident fund cover substantially all regular employees which are on payroll of the company. Both the employees and the Company pay predetermined contributions into the provident fund and approved superannuation fund. The contributions are normally based on a certain proportion of the employee's salary and are recognised in the Statement of Profit and Loss as incurred.

Particulars	Period ended 31, September, 2022	Year Ended March 31, 2022	Year Ended March 31, 2021	(Rs. in Lakhs) Year Ended March 31, 2020
	RS.	RS.	RS.	RS.
Contribution to provident fund and other Fund	25.79	22.12	17.55	23.85

B. Defined Benefit Plan - Gratuity:

(i) The Company administers its employees' gratuity scheme funded liability. The present value of the liability for the defined benefit plan of gratuity obligation is determined based on actuarial valuation by an independent actuary at the period end, which is calculated using the projected unit credit method, which recognises each year of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

(ii) Gratuity benefits in India are governed by the Payment of Gratuity Act, 1972. The key features are as under

Benefits Offered	15/26* salary* Duration of service
Salary Definition	Basic Salary Including Dearness Allowance (if any)
Benefit Ceiling	Benefit Ceiling of Rs 20 Lakhs
Vesting Conditions	5 Years of Continuous Service (Not Applicable In Case of Death/ Disability)
Benefit Eligibility	Upon Death or resignation or withdrawal or retirement
Retirement Age	60 Years

(iii) Characteristics of defined benefit plans and risks associated with them:

Valuation of defined benefit plan are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Company is exposed to various risks in providing the above benefit plans which are as follows:

A. Actuarial Risk:

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse Salary Growth Experience:

Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity Benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

B. Investment Risk:

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

C. Liquidity Risk:

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflows.

D. Market Risk:

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

E. Legislative Risk:

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

B. Changes in the Present value of Obligation

Particulars	(Rs. in Lakhs)			
	As at 30th September, 2022	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2020

Note- 34- Segment Reporting

Looking to the nature of Business, Company is operating under single Operating segment hence Segment Reporting is not Applicable as per IND AS 108

Note -35- LEASES (Right to Use of Assets)

The Company's significant leasing arrangements are in respect of Land and buildings and office premises taken on lease and license basis. The Company has recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the ROU asset at its carrying amount. The weighted average incremental borrowing rate applied to lease liabilities is 10.00 %.

The break-up of current and non-current lease liabilities is as follows:

Particulars	As at 30th September, 2022	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2020
Current Lease Liabilities	38.19	36.34	32.89	29.78
Non - Current Lease Liabilities	17.07	36.64	72.98	105.87
Total	55.26	72.98	105.87	135.65

The movement in lease liabilities is as follows:

Particulars	Period ended 31, September, 2022	Year Ended March 31, 2022	Year Ended March 31, 2021	Year Ended March 31, 2020

More than 3 Years	-	-	-	38.50

Note - 36 – Financial Instruments**Financial Risk Management – Objectives and Policies**

The Company's financial liabilities mainly comprise the loans and borrowings in domestic currency, money related to capital expenditures, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's financial assets comprise mainly of investments, security deposits, cash and cash equivalents, other balances with banks, trade and other receivables that derive directly from its business operations.

The Company is exposed to the Market Risk, Credit Risk and Liquidity Risk from its financial instruments.

The Management of the Company has implemented a risk management system which is monitored by the Board of Directors of the Company. The general conditions for compliance with the requirements for proper and future-oriented risk management within the Company are set out in the risk management principles. These principles aim at encouraging all members of staff to responsibly deal with risks as well as supporting a sustained process to improve risk awareness. The guidelines on risk management specify risk management processes, compulsory limitations, and the application of financial instruments. The risk management system aims to identify, assess, mitigate the risks in order to minimize the potential adverse effect on the Company's financial performance.

The following disclosures summarize the Company's exposure to the financial risks and the information regarding use of derivatives employed to manage the exposures to such risks. Quantitative Sensitivity Analysis has been provided to reflect the impact of reasonably possible changes in market rate on financial results, cash flows and financial positions of the Company.

(*) Investment in subsidiaries are measured at cost as per Ind AS 27, "Separate financial statements", and hence not presented here.

(**) Fair value of financial assets and liabilities measured at amortized cost approximates their respective carrying values as the management has assessed that there is no significant movement in factor such as discount rates, interest rates, credit risk from the date of the transition. The fair values are assessed by the management using Level 3 inputs.

(***) The financial instruments measured at FVTPL represents current investments and derivative assets having been valued using level 2 valuation hierarchy.

Fair value hierarchy

The fair value of financial instruments as referred to in note below has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

B. Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market Risk comprises three types of Risk: "Interest Rate Risk, Currency Risk and Other Price Risk". Financial instrument affected by the Market Risk includes loans and borrowings in foreign as well as domestic currency, retention money related to capital expenditures, trade and other payables.

(a) Interest Rate Risk

Interest Rate Risk is the risk that fair value or future cash outflows of a financial instrument will fluctuate because of changes in market interest rates. An upward movement in the interest rate would adversely affect the borrowing cost of the Company. The Company is exposed to long term and short - term borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments and taking actions as necessary to maintain an appropriate balance. The Company has not used any interest rate derivatives.

Exposure to Interest Rate Risk

Particulars	(Rs. in Lakhs)			
	As at 30th September, 2022	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2020
Borrowing bearing fixed rate of interest	246.84	333.86	588.15	766.49
Borrowing bearing variable rate of interest	5538.6	5369.45	3851.57	4494.93

Sensitivity Analysis

Profit / (Loss) estimates to higher / lower interest rate expense from borrowings bearing variable rate of interest as a result of changes in interest rate.

Particulars(*)	(Rs. in Lakhs)			
	As at 30th September, 2022	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2020
Interest Rate - Increase by 50 Basis Points	(27.69)	(26.85)	(19.26)	(22.47)
Interest Rate - Decrease by 50 Basis Points	27.69	26.85	19.26	22.47

(*) holding all other variable constant. Tax impact not considered.

(b) Foreign Currency Risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar. Foreign exchange risk arises from recognized assets and liabilities denominated in a currency that is not the functional currency of the Company. Considering the volume of foreign currency transactions, the Company has taken certain forward contracts to manage its exposure.

Exposure to Foreign Currency Risk

The Carrying amount of Company's unhedged Foreign Currency denominated monetary items are as follows:

Particulars	As at 30th September, 2022	
	Amount in USD	Amount in Rs.
Net Unhedged Assets (Trade Receivables, Other Receivables, & Loans Given)	-	-
Net Unhedged Liabilities	-	-
Net Exposure Assets / (Liabilities)		

Particulars	As at 31st March, 2022

INR / USD – Increase by 5%	(0.31)	(23.12)
INR / USD – Decrease by 5%	0.31	23.12

(*) holding all other variable constant. Tax impact not considered.

(c) Other Price Risk

Other Price Risk is the Risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. The Company is exposed to price risk arising mainly from investments in equity/equity-oriented instruments recognized at FVTPL/FVTOCI.

Particulars	(Rs. in Lakhs)			
	As at 30th September, 2022	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2020
Investments (FVTPL)	-	-	-	-
Investments (FVTOCI)	-	-	-	-

C. Credit Risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and other financial assets measured at amortized cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets. (i) Low credit risk, (ii) Moderate credit risk, (iii) High credit risk.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Financial assets (other than trade receivables) that expose the entity to credit risk are managed and categorized as follows:

Basis of categorisation	Asset class exposed to credit	Provision for expected credit loss
Low credit risk	Cash and cash Equivalents, other bank balances, loans and 12 month expected credit loss.	
	other financial assets	12 month expected credit loss, unless credit risk has increased significantly since initial recognition, in which case allowance is measured at life time expected credit loss
Moderate credit risk	other financial assets	Life time expected credit loss (when there is significant deterioration) or specific provision whichever is higher
High credit risk	other financial assets	

Financial assets (other than trade receivables) that expose the entity to credit risk (Gross exposure): –

Particulars	(Rs. in Lakhs)			
	As at 30th September, 2022	As at 31st March, 2022	As at 31st March, 2021	As at 31st March, 2020
Low Credit Risk				
Cash and cash equivalents	171.20	45.47	318.35	316.82
Bank Balances other than above	767.13	874.99	590.10	571.24
Loans	872.95	841.49	785.27	647.91
Other Financial Assets	124.55	139.65	138.77	134.31
Moderate/ High Credit Risk				
Total	1935.83	1901.59	1832.50	1670.29

(i) **Cash and cash equivalent and bank balance:**

Credit risk related to cash and cash equivalents and bank balance is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

(ii) **Loans and Other financial assets measured at amortized cost:**

Other financial assets measured at amortized cost includes Security Deposit to various authorities, Loans to staff and other receivables. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

(iii) **Trade receivables:**

Life time expected credit loss is provided for trade receivables. Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions. Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

(A) Expected credit losses:

Expected credit loss for trade receivables under simplified approach:

The Company recognizes lifetime expected credit losses on trade receivables & other financial assets using a simplified approach, wherein Company has defined percentage of provision by analyzing historical trend of default based on the criteria defined below and such provision percentage determined have been considered to recognize life time expected credit losses on trade receivables (other than those where default criteria are met in which case the full expected loss against the amount recoverable is provided for). Further, the Company has evaluated recovery of receivables on a case to case basis. No provision on account of expected credit loss model has been considered for related party balances. The Company computes credit loss allowance based on provision matrix. The provision matrix is prepared on historically observed default rate over the expected life of trade receivable and is adjusted for forward - looking estimate. The provision matrix at the end of reporting period is as follows:

Particulars	Expected Loss Rate			
	0.50%			
All Receivables excluding Related Parties				
	(Rs. in Lakhs)			
Movement in Expected Credit Loss Allowance	Period ended 31, September, 2022	Year Ended March 31, 2022	Year Ended March 31, 2021	Year Ended March 31, 2020
	RS.	Rs.	Rs.	Rs.
on Trade Receivables				
Balance at the beginning of the reporting period	28.47	29.01	30.16	-
Loss Allowance measured at lifetime expected credit losses	(5.12)	(0.53)	(1.15)	30.16
Balance at the end of reporting period	23.35	28.47	29.01	30.16

D. Liquidity Risk

Liquidity Risk is the risk that the Company will encounter difficulty in raising the funds to meet the commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Financing arrangements:

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	(Rs in Lakhs)			
	Period ended 31, September, 2022	Year Ended March 31, 2022	Year Ended March 31, 2021	Year Ended March 31, 2020
	RS.	Rs.	Rs.	Rs.
Expiring within One Year				
- CC/EPC Facility	46.73	104.11	1,020.20	304.22
- Invoice Discounting Facility				
Expiring beyond One Year				

The cash credit and other facilities may be drawn at any time and may be terminated by the bank without notice.

Maturities of Financial Liabilities:

The tables below analyze the Company's financial liabilities into relevant maturity based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant. AS per Annexure "A"

E. Capital Management

The Company's capital management objectives are to ensure the company's ability to continue as a going concern, to provide an adequate return to share holders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet. Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

The Company manages its capital on the basis of Net Debt to Equity Ratio which is Net Debt (Total Borrowings net of Cash and Cash Equivalents) divided by total equity.

Particulars	As at	As at	As at	As at
	30th September, 2022	31st March, 2022	31st March, 2021	31st March, 2020
Total Borrowings	5784.91	5702.47	4437.36	5257.19
Less: Cash and Cash Equivalents	171.20	45.47	318.35	316.82
Net Debt (A)	5613.71	5657.00	4119.01	4940.37
Total Equity (B)	6389.69	6113.18	5764.33	5436.01
Capital Gearing Ratio (B/A)	1.14	1.08	1.40	1.10

The Company has complied with the covenants as per the terms and conditions of the major borrowing facilities throughout the Reporting Period.

Note - 37 – Balance confirmation of Receivables

Confirmation letters have not been obtained from all the parties in respect of Trade Receivable, Other Non- Current Assets and Other Current Assets. Accordingly, the balances of the accounts are subject to confirmation, reconciliation and consequent adjustments, if any.

Note - 38 – Balance Confirmation of Payables

Confirmation letters have not been obtained from all the parties in respect of Trade Payable and other current liabilities. Accordingly, the balances of the accounts are subject to confirmation, reconciliation and consequent adjustments, if any.

Note - 39 – Events occurring after the Balance sheet Date

The Group evaluates events and transactions that occur subsequent to the balance sheet date but prior to approval of the financial statements to determine the necessity for recognition and/or reporting of any of these events and transactions in the financial statements. There are no subsequent events to be recognized or reported that are not already disclosed.

Note – 44– Additional regulatory information

A)The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.

B)The Company does not have any investment property.

C)The Company has not revalued its Property, Plant and Equipment (including Right-of-Use Assets) and Intangible assets.

D)There are no loans or advances in the nature of loans are granted to Promoters, Directors, KMPs and their related parties (as defined under Companies Act, 2013), either severally or jointly with any other person, that are outstanding as on 30 September 2022:

(i) repayable on demand; or

(ii) without specifying any terms or period of repayment

E)No proceedings have been initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder

F)The company is not declared willful defaulter by any bank or financial institution or other lender.

G)The company has not undertaken any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956.

H) No Scheme of Arrangements has been approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013.

I) The company has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (Ultimate Beneficiaries) by or on behalf of the company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

J) The company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (Ultimate Beneficiaries) by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

K) No transactions has been surrendered or disclosed as income during the year in the tax assessment under the Income Tax Act, 1961. There are no such previously unrecorded income or related assets.

L) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.

M) The Provision of Section 135 of the Companies Act 2013 in relation to Corporate Social Responsibility are not applicable to the Company during the period and hence reporting under this clause is not applicable.

Note – 45– Previous year's figures have been regrouped, reclassified wherever necessary to correspond with the current year classification / disclosure.

Note - 46 - First Time Adoption of Indian Accounting Standards ('Ind AS')

These are the Company's first financial statements prepared in accordance with Ind AS.

For all period up to and including the year March 31, 2021, the Company had prepared its financial statements in accordance with the Accounting Standards notified under Section 133 of The Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP"). For the year ended on March 31, 2022 prepared and presented in accordance with the Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 in accordance with the accounting policies as set out by the Company in Note No. 1.

The Accounting Policies as set out in Note No. 1 have been applied in preparing its financial statements for the year ended March 31, 2022 including the Comparative information for the year ended on March 31, 2021 and the Opening Ind AS Balance Sheet on the date of transition i.e., April 01, 2020.

In preparing its Ind AS Balance Sheet as at April 01, 2020 and in preparing the Comparative information for the period ended March 31, 2021, the Company has adjusted amounts reported previously in financial statements prepared in accordance with Previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared under Previous GAAP for the followings:

- a) Balance Sheet as at April 01, 2020 (Transition Date);
- b) Balance Sheet as at March 31, 2021;
- c) Statement of Profit and Loss for the year ended on March 31, 2021; and
- d) Statement of Cash Flows for the year ended March 31, 2021

Ind AS 101 - First Time Adoption of Indian Accounting Standard, allow the first-time adopters, exemptions from the retrospective application and exemption of certain requirements of the Other Ind AS. The Company has availed the following exemptions as per Ind AS 101.

A. Ind AS Optional Exemptions:

1) Deemed cost of property, Plant and equipment and intangible Assets

The Company has elected to consider the Carrying Value of all its Property, Plants and Equipment's (PPE) and Intangible Assets recognized in the financial statements prepared under Previous GAAP and use the same as Deemed Cost in the Opening Ind AS Financial Statements.

2) Deemed cost for Investments in subsidiaries

The carrying amount of Company's Investments in its Subsidiaries Companies as per the financial statements of the Company prepared under Previous GAAP, are considered as Deemed Cost for measuring such investments in the Opening Ind AS Financial Statements.

3) Leases:

The company has elected to measure the right of use assets at the date of transition as if Ind AS 116 had been applied since the commencement date of the lease, but discounted using the lessee's incremental borrowing rate at the date of transition to Ind AS. Further the following expedients were used on transition to Ind AS.:

- the use of single discount rate to portfolio of leases with reasonably similar Characteristics.

A. Ind AS Mandatory Exceptions:

1) Estimates:

An entity estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimate made for the same date in accordance with Previous GAAP (after adjustment to affect any difference in accounting policies) unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 01st April, 2020 are consistent with the estimates as at the same date made in conformity with Previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as there were not required under previous GAAP.

- The company has applied modified retrospective approach to all leases contract existing as at 01 April 2020 under Ind As 116

2) Classification and measurement of financial assets and liabilities:

The classification and measurement of financial assets will be made considering whether the conditions as per Ind AS 109 are met based on facts and circumstances existing as on date of transition. Financial Assets can be measured using effective interest method by assessing its contractual cash flow characteristics only on the basis of facts and circumstance existing at the date of transition and if it is impracticable to assess elements of modified time value of money i.e., use of effective interest method, fair value of financial assets at the date of transition shall be the new carrying amount of that asset. The measurement exemption applies for financial liabilities as well.

Net Income as per MAT

Tax Rate as per MAT

Tax Payable As per MAT

Notes:

1. The above statement is in accordance with Accounting Standard - 22, "Accounting for Taxes on Income" prescribed under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014 (as amended).
2. The permanent/timing differences for the years 31 March 2020,2021 and 2022 have been computed based on the Income-tax returns filed for the respective years after giving adjustments to restatements, if any.
3. Figures for the Year ended 30th September 2022 have been derived from the provisional computation of total income prepared by the Company in line with the final return of income will be filed for the assessment year 2023-2024 and are subject to any change that may be considered at the time of filing return of income for the assessment year 2023-2024
4. Statutory tax rate includes applicable surcharge, education cess and higher education cess of the year concerned.
5. The above statement should be read with the Statement of Notes to the Standalone Financial Information of the Company.

(Amount in Lakhs)

Sr. no.	Particulars	Period ended 30th September, 2022	For the Year Ended 31 March		
			2022	2021	2020
A	Net worth, as restated (₹)	6,389.69	6,113.18	5,764.33	5,436.01
B	Profit after tax, as restated (₹)	287.41	345.37	319.79	237.56
Weighted average number of equity shares outstanding during the period/ year					
C	For Basic/Diluted earnings per share	1,99,40,347	1,99,40,347	1,99,40,347	1,99,40,347
Earnings per share					
D	Basic/Diluted earnings per share (₹) (B/C)	1.44	1.73	1.60	1.19
E	Return on Net Worth (%) (B/A*100)	4.50%	5.65%	5.55%	4.37%
F	Number of shares outstanding at the end of the period/ year (IN Number)	1,99,40,347	1,99,40,347	1,99,40,347	1,99,40,347
G	Net asset value per equity share of ₹ 10 each(A/F)	32.04	30.66	28.91	27.26
H	Face value of equity shares (₹)	10.00	10.00	10.00	10.00
I	Earning Before Interest , Taxes, Depreciation & Amortization (EBITDA)	1,126.11	1,784.72	1,886.48	1,610.08

- Notes :-
- The ratios have been computed in the following manner :
 - Basic and Diluted earnings per share (₹)
$$\frac{\text{Restated Profit after tax attributable to equity shareholders}}{\text{Weighted average number of equity shares outstanding during the period/year}}$$
 - Return on net worth (%) =
$$\frac{\text{Restated Profit after tax}}{\text{Restated Net worth as at period/ year end}}$$
 - Net asset value per share (₹)
$$\frac{\text{Restated Net Worth as at period/ year end}}{\text{Total number of equity shares as at period/ year end}}$$
 - The figures disclosed above are based on the Restated Financial Information of the Company.
 - Weighted average number of equity shares is the number of equity shares outstanding at the beginning of the period/year adjusted for the number of equity shares issued during the period/year multiplied by the time weightage factor. The time weightage factor is the number of days for which the specific shares are outstanding as a proportion of total number of days during the period/year.
 - Net worth for the ratios represents sum of share capital and reserves and surplus (share premium and surplus in the Restated Summary Statement of Profit and Loss).
 - The above statement should be read with the Statement of Notes to the Restated Financial Information of the Company in Annexure 4.
 - Earning Before Interest , Taxes, Depreciation & Amortization (EBITDA) = Profit Before Tax + Finance Cost + Depreciation & Amortisation

SHERA ENERGY LIMITED

(Formerly Known as SHERA ENERGY PRIVATE LIMITED)
